

# Work Bee - on the Bathroom/Shower facilities

**Tomorrow, August 7th**

**@ 6:00 pm or when you can come**

*Instead of our regular DVD night (Tuesday night) we will continue to work on the bathroom/shower facilities.*

*We would like to have the bathroom usable (toilet & sink) for the Family Camp August 17-19th.*

*Bring along your hammer—will be building the walls tomorrow night. We will have a wiener roast to finish off the evening.*

*Ladies—we still have more painting on the west side of the arena—wear paint clothes if you would like to paint.*

**Thank You Lord for all the help Friday and today—floor is on the bathroom. Walls, ceiling and floor painted in the kitchen.**
