NEWS FLASH

**This is a picture of the manager's house. It is beautiful.
So loving the BIG windows!!**

This house has been completed and will be moved to the ranch in the next week or so. We are super excited and thankful to the Lord for His love and faithfulness. No move in date set yet—will keep you posted. To God be the GLORY for the things He has done. We are amazed and thankful for each of you sowing into this beautiful home. We are trusting God for the remainder of \$11,000 that will complete this project.

Finances for the Dining Hall/Kitchen (from the Glad Tidings Bible Camp) have started to come in. To date \$15,200 has been donated for this project. The projected cost is \$100,000. We continue to hold the vision before our eyes.

Habukkuk 2:2

**“Write the vision, and make it plain on tablets, that he may run who reads it.
We are experiencing another level of ACCELERATION
