SUMMER HAPPENINGS

Dining Hall / Kitchen coming to Twin Lakes

There has been ACCELERATION in bringing the Dining Hall to the ranch when we received a large donation to cover the moving expenses and building of the foundation.

We called in a track hoe to dig down the 2 feet and Rod Duncan came today. He always does a great job!

Lee Evans (one of our board members and a contractor from Carnduff) and his crew are coming tomorrow night to get ready for work Monday and Tuesday.

Monday they will be doing the footings and Tuesday build the pony walls.

NOTE: If anyone can volunteer to help we would appreciate it—either days or both.

After this is done we will be ready to have the building moved. We will also need to bring in the water and dig another lagoon for the sewer. We are excited about the many possibilities this building will provide to advance the Kingdom. God is so faithful!!

Thank you Keith Putman for bringing your level for the job.
