

## Work Day At Twin Lakes Ranch – July 17, 2012

*A big thank you to everyone who helped at the work evening at Twin Lakes Ranch this week. Many jobs were done in a short time. Mowing, weed eating, painting the drill stem on arena (still have another side to finish) cleaning up the kitchen area, making pens for horses (hope to finish today), taking a tank out of Atco building, working on putting in a water heater (not quite finished yet), etc.*

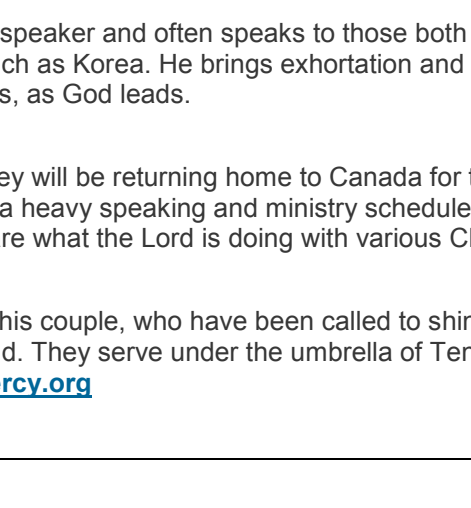

*To top the evening off we went for a wagon ride behind the great team and wagon which were bought from money donated by the Moffat Family fund.*

Rodeo Bible Camp begins July 23-26th and we have about 14 youth coming. Pray for the staff, salvations, protection, good weather, healthy campers and staff and a great camp.

**We Bless ISRAEL !!**  
**Tonight, July 19th at 7:00 pm is a meeting at the ranch (Twin Lakes Ranch) with Marty Shroub (Sue is unable to be there tonight). Coffee and fellowship to follow.**

Marty and Sue Shroub are an amazing Canadian couple, with a unique gifting mix that the Lord has called them serve in the nation of Israel. Sue has a special way with horses, and uses this gifting in a children's center in Israel, "Ahava", helping emotionally traumatized children heal through the use of horse-back riding and learning to care for the animals. Her gentle ways and gift of encouragement has been a blessing and spoken powerfully to the love of Jesus to these children and their workers.

Marty is a gifted speaker and often speaks to those both in Israel and other nations, such as Korea. He brings exhortation and life, teaching on a variety of topics, as God leads.

This summer, they will be returning home to Canada for two months, carrying on with a heavy speaking and ministry schedule, while they itinerate and share what the Lord is doing with various Christian groups.

Please pray for this couple, who have been called to shine God's light in Israel and beyond. They serve under the umbrella of Tents of Mercy: [www.tentsofmercy.org](http://www.tentsofmercy.org)
